DETAILED ACTION

1. Claims 1, 2, 6-9 and 11-20 are rejected under 35 U.S.C. 102(e) as being anticipated by Erickson et al. (US 6,426,394) for the reasons set forth in item 5 of the Office action mailed 3/24/2005.
2. Claims 1, 2 and 6-20 are rejected under 35 U.S.C. 102(b) as being anticipated by Shamshoum et al. (US 6,239,058) for the reasons set forth in item 6 of the Office action mailed 3/24/2005.
3. Applicant's arguments filed 6/24/2005 have been fully considered but they are not persuasive. Contrary to applicants' remarks, the vessel requirements of claim 3 have not been incorporated into claim 1. Further, the text which has been added to claim 1 does not distinguish the claims over either reference because all vessels will inherently have an opening by which to add and remove the contents (i.e., an "inlet" and an "outlet").

Allowable Subject Matter

4. Claims 3-5 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

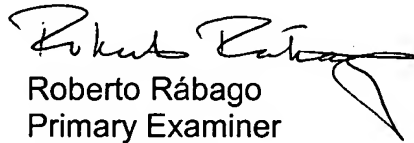

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roberto Rábago whose telephone number is (571) 272-1109. The examiner can normally be reached on Monday - Friday from 8:00 - 4:00.
